

DBPR HR-7020 – Division of Hotels and Restaurants Certificate of Balcony Inspection

Complete and submit this form if your public lodging establishment is 3 or more stories in height. The inspector must have the education and experience to be competent to perform the inspection. The operator is responsible for verifying the competency of the inspector.

The term "balcony" means "a landing or porch that is accessible to or used by the public..." The balcony inspection must include platforms, stairways, railings and railings, guardrails, balustrades, parapets, and areas enclosed by screening or other non-permanent building material. (Section 509.2112, F.S. and Rule 61C-3.001(5)(a), F.A.C.)

For new or renewal inspections complete sections 1 and 2. For a change of owner attach a copy of previous operator's valid, date-stamped Certificate of Balcony Inspection and complete Section 3.
